Now that Wells Fargo's mortgage accounting appears to have been corrected, the Debtors anticipate no other factors impacting their ability to consummate the plan. However, the Debtors are considering filing a motion to fix the claim amount of Wells Fargo, since the exact amount of post-petition arrears was unknown as of confirmation.

5) Final Decree

The Debtors' application for final decree is expected to be filed in the next month, closing their case before the end of the 2nd quarter of 2019.

Dated this 24th day of April, 2019.
